EISKUNSTLAUF**

*"ASSOCIAZIONE SPORTIVA DILETTANTISTICA"
"AMATEURVEREIN"*

The Iceclub Gardena/Southtyrol/Italy is looking for

1 or 2 coach/es

The training will be battled in the iceskating-hall in Selva Gardena (please consult the touristik-homepage of Val Gardena-valley: www.valgardena.it).

The club actually counts 40 childs of different levels, speaking German, Italian and some English. It is well accepted if the coach does only speak English.

The duration of the contract is for one year, and can be renovated every year if the two parts agree. The iceskating-training is from July to April; in the month of May We offer other sports-activities because there is no ice; the month of June is holiday.

The coaching is required 4-6 times par week for 3-4 hours ; during the school-time the training is in the afternoon, when the children don't have school the training is in the morning (Christmas-holiday and summerholiday from July to middle of Septembre).

We offer a regular work permit in Italy.

The club can help to find the coaching-stay and it could also be part of the contract.

It would also be great if the coach could begin as soon as possible in this winter for working together with the actually pregnant coach Jyrina Lorenz.

For more information please contact us:
